Safety Rules and Regulations

Safety is the highest priority at the Fall 2026 Show hosted by the Tanana Valley Sportsmen's Association (TVSA). All vendors handling firearms or related equipment must strictly follow firearm safety principles at all times. Firearms must always be treated as if loaded, with the muzzle pointed in a safe direction. All firearms on display must be unloaded, and clear barrel indicators (chamber flags) are required in all firearms that enter the building.

TVSA asks that as vendors come in that guns they are displaying or selling have clear chamber indicators inside **PRIOR** to entering the building to speed up safety checks.

TVSA asks that vendors remove all magazines; regardless of if the magazines have stops and are unloaded.

Firearms must be secured using trigger locks, cases, or other approved methods when not actively supervised. Ammunition must be stored and displayed separately from all firearms offered for sale, and may only be handled when necessary in accordance with applicable laws and regulations. Vendors are responsible for preventing unauthorized handling by attendees, particularly minors, and must maintain full control of their merchandise at all times. Firearms may not be discharged on the premises under any circumstances.

In addition to firearm safety, all vendors must adhere to TVSA facility rules. Tables must remain in assigned locations throughout the event, and aisles, entrances, and exits must be kept clear at all times to allow safe access and emergency egress. Vendors are responsible for the cleanliness and organization of their assigned space and for any damage caused to the facility by their equipment or activities. Soliciting outside assigned tables, obstructing other vendors, or creating unsafe conditions is strictly prohibited. Vendors are expected to cooperate with TVSA staff and volunteers and comply with any instructions given regarding setup, display, or safety procedures.

Violation of firearm safety or facility rules may result in immediate removal from the event without refund and may affect eligibility for future participation. By participating, vendors agree to uphold these safety and facility standards, ensuring a secure, professional, and enjoyable environment for all attendees and fellow vendors.

TABLE, SETUP & LOCATION INFORMATION

Additional tables may be available based on vendor capacity. **Please ensure that you request all tables you may expect to need** in your application. Additional tables may not be available after your application is submitted.

Vendors who wish to set up their tables prior to the official show hours may take advantage of Friday early setup from 5:30 PM to 7:00 PM. Early setup allows vendors to arrange their displays in advance for convenience and efficiency; however, an **additional \$25 fee** applies to cover security and staffing costs during the extended hours. Vendors utilizing early setup must coordinate in advance with TVSA management and adhere to all facility and safety rules during this time. Please note that early setup does not guarantee special table placement or additional space beyond your assigned table.
